**1983 Civil Rights Complaint As Filed Upon Listed And Named**  
**Defendant And Application For Temporary Restraining Order**  
**And/Or In The Alternative Application For Preliminary Injunction.**

Dear Mr. Diard,

This written communicative correspondence hereby addressed and directed to you is to inquire about the status of this 42 United States Constitution (U.S.C.) §1983 Civil Rights Complaint, as thereby filed, in April, 2007.

I also, would like to take this particular and specific opportunity to inquire about the Application For Temporary Restraining Order And/Or In The Alternative Application For Preliminary Injunction, thereby seeking emergency and immediate medical relief, prior to the scheduling of a hearing. It has been approximately ninety (90) days, in which, I have filed this civil rights complaint. During this time, I have only been notified of a deficiency, in which was needed

to be corrected and that was to sign the Declaration Of In Forma Pauperis.

I was given until May 19, 2007 to have this form signed and returned to this Most Honorable Court, however, I signed and mailed this form and returned it back to this Court, prior to May 19, 2007, and yet it has been well over thirty (30) days, since I have been informed that my civil rights complaint as filed was being screened pursuant to Title 28 U.S.C. 1915. Nor have I been informed whether the Application For Temporary Restraining Order And/Or In The Alternative Application For Preliminary Injunction been forwarded to the United States District Court Judge, as thereby assigned to this instant said cause of action, as thereby filed.

Your prompt attention and your immediate response to me, regarding this matter will forever so be appreciated with that of the utmost respect and the deepest of gratitude.

Respectfully Submitted,  
  
  
Ariel A. Adla
